Coronation - Crowning Of A Queen

Miss UMES . . . Renée Y. Goodison was selected for the most prestigious position at the University of Maryland Eastern Shore during an elaborate ceremony in October of 1989. Miss Goodison, a Senior Chemistry major, is from New York. She succeeded Miss Collette Johnson of College Park, Maryland who reigned during the 1988-1989 academic year.

Miss Goodison was voted into this honor by the student body during the Spring of 1989. Transferring from the University of Maryland College Park to UMES the previous year, she has since been active in her major as well as in many extra-curricular activities. To name a few, the Student Government Association, Alpha Kappa Alpha Sorority, and the Student Activity Board.

During her reign, Miss Goodison had the responsibility of defending the title of Miss UMES when asked what were the exact duties of this figurehead position. This controversial question became a year long debate and through it all Miss Goodison remained poised with dignity.

Class Of 1990

Mr. Speaker, President
 ythe, parents, friends, and
 embers of the University of
 laryland family. We the
 lass of 1990 would like to
 id you a pleasant good
 orning.

Let us begin by taking you
 ack to a fairytale classic of
 esterday. This is a fairytale
 at most of you have either
 ad, seen, or heard. This
 irtale speaks of four indi-
 viduals that were seeking a
 magical land. Once in this
 nd, they would possibly gain
 ose things that they were
 ng denied. Of these four
 haracters one was seeking
 knowledge, one was seeking
 burage, one was seeking a
 heart, while the other just
 wanted to go home.

For those of you who
 aven't figured out by now
 his legendary classic, it is
 rank Baum's eternal "The
 Wizard of Oz." Today, May
 0th, we the graduating Class
 of 1990 have finally reached
 ur land of Oz—The Univer-
 sity of Maryland Eastern
 hore.

When we first came to
 UMES as freshmen we too
 were seeking knowledge, cour-
 age, and a sense of heart; and
 yes, many did want to go home.
 But, if you recall, there was a
 gentleman by the name of Dr.
 Theodore Henderson who
 asked us to "look to our left,
 our right, in front of ourselves,
 and in back" while sitting ever
 so impatiently during Fresh-
 men Orientation. Well, we did
 it and then wondered why we
 were given this simple task.
 The answer was "the people
 you see around you now will
 not be there when you gradu-
 ate." How true this holds
 today.

Graduates, we may have
 looked through the years at our
 fellow classmates and seen
 many dwindle because of vari-
 ous reasons. But, today I
 proudly say that we are the
 ones looking and not being
 looked upon.

Once again, we can look to
 our left, our right, to the front,
 and to the back and this time
 we can look with assurance.
 We have endured the hard

times and overcome the many
 obstacles that have fallen be-
 fore us.

Today we see winners, win-
 ners with an attitude that quit-
 ters never win and winners never
 quit. We should be proud to
 know that we are part of a win-
 ning family—the UMES
 Family.

So, on behalf of the graduat-
 ing Class of 1990, I would like
 to give thanks to our parents,
 to the faculty, and to the very
 special friends who have moti-
 vated, inspired, uplifted,

and supported us on our
 long journey on the road to
 success. Thank you . . . for
 accompanying us to the be-
 ginning of the new road we
 will embark.

This season marks the first for soccer at UMES on a club basis. At the reins is Coach Dennis Laird, a 1989 graduate of the University of Maryland Eastern Shore.

The team did very well with a 5-6 win-/loss record. The members who had great success with the team are William Hurlock, lead scorer of the season (pictured right), and Randy Hutchinson, who played soccer for the first time with the team.

In the meantime, Dr. Gregory will be making a decision as to this club advancing to varsity ranks. Good luck.

At this year's MEAC Championships UMES had the opportunity to play ball with the ladies of southern teams, but regular season play was limited to Delaware State, Howard, Morgan and Coppin State. Overall, the team did great with member participation down.

As the force behind UMES' basketball team, Coach Williams was optimistic about the teams performance. He stated that this was the best year he has seen from a recruiting stand point.

New recruits for this season included guards Kenny Thomas and Dondre Phoenix; forwards Bobby Spear and Leland Kent; and, center Eric Rossner.

Other major returns were Keith Williams, guard; Harold Lane, forward; Jose Sandoval, guard; and, Sean Salisbury, guard.

This season marks the last for Coach Williams here at UMES. We wish him a fond farewell and the best of luck.

Practice makes perfect as this player demonstrates.

Despite their win/loss record of 11-17, the Lady Hawks had an over-all good season, which Coach Willie Simon anticipated. He stated that he was very excited about the team and that they will do alright. And alright they did!

One of the best players this season was Teresa Thinna. She is considered one of the best guards in the MEAC. Susan Buckson, also a top player, averaged 10.8 points and 7.3 rebounds per game.

Coach Simon, who coached basketball in South Carolina, took his position after Coach McAuley. He says that his post at UMES is a good opportunity to get back in the swing of things and that the ladies are anxious to learn. Best wishes for a good season next year!

As you can see, it takes concentration to make that perfect shot.

Lady Hawks Basketball 1989-1990

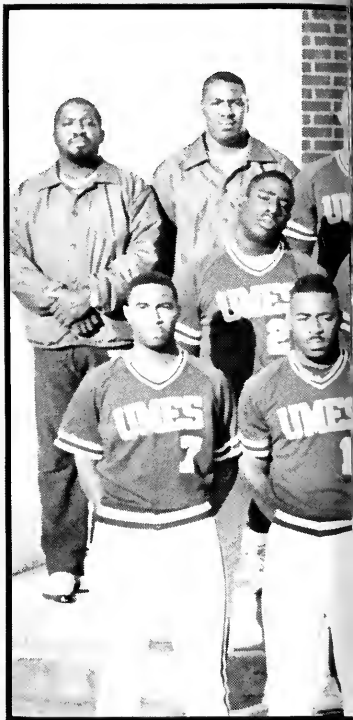

If Peggy Edwards does not make the shot there is plenty of gray for the rebound.

The 1990 Hawk's Baseball Team had a good year with a 10-18 win/loss record which Coach Kirkland Hall predicted. The team returned veteran players which contributed to the potential of the team. Top player Ira "Dude" Smith helped lead the team as an outfielder. His accomplishments are known throughout the MEAC.

Shannon Washington, a senior and outfielder (pictured, top right), was a returning starter along with first baseman Chris Pagan.

Also, newcomer Billy Williams (pictured, below right) was a starting pitcher for the Hawks and is someone to look out for next season. Lots of luck to the team next year.

The 1990 UMES Tennis Team with Coach Fred Ponder.

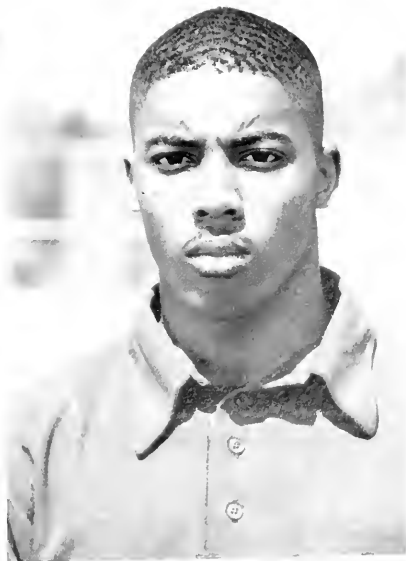

The UMES Men's and Women's Tennis Teams had excellent players this year. The men were led by Michael Holder (pictured, right) and Darryl Keaton who both had extensive training that helped develop their skills and abilities. Other forerunners of the men included Lamont Ward and Jamie Dunn.

The top players on the women's team were Judith Garriques, Edith Callahan, and Sabbatry Persad. Garriques ranked number one last year and showed no disappointments this year. Persad (pictured, far right) is a player with lots of potential considering she played tennis for the first time last year.

In addition to being good athletes, the team members are also excellent students.

Good luck for a good season next year.
